

NCSBN
Leading Regulatory Exc

Mission Statement

NCSBN empowers and supports nursing regulators in their mandate to protect the public.

Purpose and Function

The purpose of NCSBN is to provide an organization through which nursing regulatory bodies act and counsel together on matters of common interest and concern affecting the public health, safety and welfare, including the development of licensing examinations in nursing.

The major functions of NCSBN include developing the NCLEX-RN® and NCLEX-PN® Examinations, performing policy analysis and promoting uniformity in licensure, providing leadership to the regulation of nursing practice, disseminating data related to NCSBN's purpose and serving as a forum for information and exchange for NCSBN members.
